

THE CHRONICLE

Wagga Wagga Christian College

FROM THE PRINCIPAL

MR PHILLIP WILSON

Hats, Laws, New, 12, MSQ.

Hats, Laws, New, 12, MSQ.

Hats, Laws, New, 12, MSQ.

As you read that you're probably (and rightly so) thinking "What is he saying this for?" Well, all day long I've been thinking that I need to remind you about "Hats, Laws, New, 12 and MSQ". And after saying it to myself several times I thought I'd better write it down so I don't forget! So, can you spare me a few minutes so I can tell you about the exciting news about Hats, Laws, New, 12 and MSQ ...

Hats

We are already experiencing (and hopefully enjoying) the slightly warmer weather and preparing ourselves for the hotter days that are sure to come in a matter of weeks. I really want everyone to make an effort to wear their summer uniform as soon as possible. For those who aren't aware, the boy's shirts are designed to be worn out and all students should be wearing wide-brimmed hats in a school colour. The hat should provide shade on the neck and ears at lunchtime. I love seeing our students wear their uniform with pride and know they appreciate we have chosen clothing that is sensible and respectable. Please help us by supporting our uniform expectations and ensuring your child comes to school in the correct clothes. Please also check because some uniforms are getting thin and may easily become torn in a friendly game of basketball. Don't forget that if there are problems with the uniform please tell the homecare teacher as soon as possible.

Laws

We've recently been contacted by parents asking whether they can come back onsite due to the COVID laws being changed (due to an increase in the NSW vaccination levels). Unfortunately, we need to wait a little bit longer. The main reason is that the College has to follow the Public Health Orders (which is what is reported on the news each day) plus the NSW Education Minister's orders (which are not really published). This document tells us all about operational aspects of schooling which is why we sometimes need to cancel excursions at the last minute. We appreciate your patience as we try to give every student the best education possible despite the restrictions in place. In next week's Chronicle I will address how vaccination policies affect College Staff and volunteers.

New

This term I'll also be able to tell you the wonderful news about new staff. I am thrilled to let you know that Mrs Emma Herps will join us as a Kindergarten teacher in 2022. She is a very experienced teacher who is looking forward to meeting our amazing Junior School children (and families) and helping them begin their learning journey.

12

Would you please continue to pray for our Year 12 as they are about to begin their HSC in a few weeks? Their final day of formal schooling was wonderful late last term as they enjoyed a socially distanced guard of honour allowing them to share some advice with each section of the school. Their HSC exams start early next month and continue for four weeks, and I would appreciate you praying for them.

MSQ

These three letters are a reminder for me to let you know that we have a slightly different arrangement at the moment for people with Middle School Questions (due to Miss Mansley being on leave). If you have a Middle School child and have any concerns or questions, I encourage you to see the Middle School Core teacher first. If you then need to see someone, please contact Mr Cunningham (for a Year 5 or 6 issue), Mr Ward (for a Year 7 or 8 issue).

“Would you
please continue to
pray for our Year
12 as they are
about to begin
their HSC in a few
weeks?”

Mr Phillip Wilson

PRINCIPAL

If you are still wanting to talk with someone please make an appointment with Mrs Ireland at the College Office to share your question with me. With Miss Mansley on leave I have asked Mr Cunningham and Mr Ward to continue looking after the students in their sections of school plus we are being capably led by our other Heads of School (Ms Clarke and Mrs Greenlees) with organisational and teaching arrangements as they arise.

As always, thankyou for your support and involvement.

Mr Phillip Wilson

Prayer Points

GIVE THANKS

- Those who ran our wonderful Vacation Care program and the students who attended.
- Safety over the break.
- The small bit of rain.

PRAYER FOR

- Year 12 and those supporting them as they approach the HSC.
- All students as they settle into Term 4.
- The ongoing struggles being experienced by the Myanmar community.

End of Year Presentation Events

Preschool

Tuesday 7 December

2:00 - 3:00pm

Junior School

The Musical
and Celebration Event

Tuesday 7 December

12:00 - 1:30pm

Middle School

MONDAY 6 DECEMBER

12:00 - 1:30PM

COLLABORATIVE STEM PROJECTS WITH 3T

Imagine . . . a hot, humid Sydney day. Dripping with sweat the idea of a dip in the ocean is irresistible. You just want to get to the beach as soon as possible.

What you need is to jump on a 21st century zip-line vehicle to get you there in ultra fast time.

Class 3T has designed just the thing!

[Find out more here.](#)

STEP BACK IN TIME WITH YEAR 8

Shields and castles, courage and valour in battle, wisdom and faith as valued household virtues. Year 8 have been immersed in another era in their HSIE studies. Their topic of Medieval History has culminated in the design of family shields and castles which they presented in class this week.

[Discover more here.](#)

GETTING CREATIVE WITH STAGE 5

Families of Year 9 & 10 students, start rearranging the paintings at home - the students are in the final stages of making a wooden cabinet which deserves pride of place on the wall at home. The cabinets have been made with great care and each reflects the character of the student designer with the cabinet doors laser cut with motifs or a design created by each student.

[Find out more about the process here and see if you can guess which student belongs to which cabinet!](#)

ADDRESSING THE BIG TOPICS WITH YEAR 10

Have you heard about the plight of the Koala, the Silver Perch or the Southern Corroboree Frog? Year 10 have been uncovering cause and effect as a result of environmental impact and expressing their discoveries in creative ways.

Learn more about our threatened species and simple ways we can make a positive impact in a challenging situation through Year 10's call to action posters, poems and short stories.

[View them here.](#)
