

WE INVITE YOU

MEET THE COLLEGE COMMUNITY TEAM

Heidi and Bek are passionate about people - welcoming, connecting and communicating with each family. They have experienced the positive impact that great communication and connection between the College and families can have on not just students' lives but the people who surround them - their classmates and their families.

As the Community Team, Heidi and Bek are here to help you find your place in the College Community.

WELCOME!

**TO BECOME
AN ACTIVE MEMBER OF
OUR COMMUNITY**

PARTNERSHIP IS KEY

Partnership between families and College staff is vital to developing the relationships between teachers and students which will result in changed lives - the maturing of students under God, as they are being prepared to act justly, love mercy and walk humbly before God.

WHAT DOES PARTNERSHIP LOOK LIKE?

As God's unique creations, each of us are blessed with gifts and strengths. We would love you to share your passions and skills with our community. Having input into College life is an excellent point of connection for you and your family and ultimately a source of enrichment for our whole College.

THE NEXT STEP

Listen out for opportunities through the upcoming information events or in the weekly Chronicle.

Talk with Community team or your child's teacher about possibilities. Share your thoughts and ideas.

Fill in the adjacent form and hand to the College Office. The Community Team will be in touch.
